

g2o::HyperGraph

```
graph BT; HD[g2o::HyperDijkstra] -.->|_graph| HG[g2o::HyperGraph];
```

The diagram illustrates an inheritance relationship between two classes. At the bottom is a box labeled 'g2o::HyperDijkstra' with a light gray background. At the top is a box labeled 'g2o::HyperGraph' with a white background. A dashed purple arrow points from the bottom box to the top box, with the label '\_graph' positioned to the right of the arrow's shaft.
